20a. I am going to read you the differing positions of a Republican and a Democratic candidate running for Congress on the situation in Iraq. After I read the two positions, please tell me which candidate you would vote for--the Republican candidate or the Democratic candidate for Congress.

The **Republican candidate** says the United States should maintain its current troop level in Iraq to help secure peace and stability in the country. The Republican candidate believes that we are eliminating the terrorist threat in Iraq and helping to fight the global war on terrorism. The Republican candidate says that the Democrats favor a cut-and-run policy.

The **Democratic candidate** says the United States should reduce the current troop level now that Iraq has adopted a Constitution. The Democratic candidate believes that our military has done all that it can and now is the time to set out a timetable for phased troop withdrawal over the next year or two. The Democratic candidate says that the Republicans favor a stand-still policy. + \*
